

Town of Sedgewick

Councilor Bud(Carl) Ness

Personal Biography

I was born in Lougheed and have lived most of my life in the local area. I am married to Myrna (Schmidt).

We have 2 sons Dorn (wife Wanda) and Dean.

We have 5 grandchildren—Justine, B.J., Colton, Charlynn and Travis.

I managed the Seed Plant in Three Hills, operated the U.F.A. bulk fuel sale and Ness Bros. Service in Lougheed before farming for the last forty years.

Myrna and I enjoy going to the different activities that our children and grandchildren are involved in. As well as camping, genealogy, antiques (Cars, Tractors)

Community Involvement

I am currently the Treasurer for the Lougheed Agricultural Society. I have been a Board member on many local boards and was a County of Flagstaff councilor for 20 years. I am interested in developing a new subdivision to help Sedgewick grow forward into the future.
