**A VIBRANT, GROWING, SAFE COMMUNITY FOCUSING ON OPPORTUNITIES FOR BOTH FAMILIES AND BUSINESS**

- Council Meeting Highlights ~ August 19, 2010**
- Council sent congratulations to the Town of Lacombe on attaining City status on September 5th.
  - Council approved the Flagstaff County Weed Inspector Services contract and authorized Flagstaff County Weed Inspectors to administer the new *Weed Control Act* and Regulations within the Town of Sedgewick.
  - Council authorized the provision of the Town of Sedgewick local walking trails information to the *Alberta TrailNet Society's* Zone 9 Trail Mapping project.

Sedgewick Council requests that the residents do not dump trimmings or any type of yard waste at the tree dump site across from the golf course. The tree site was opened for the express purpose to provide a location to help the Town and residents cleanup from the July 12th storm damage and was not setup for regular yard cleanup. Please take all yard waste and trimmings to the transfer site or the main dump. The Town will be working to clear this site out as soon as possible. Thank you for your assistance.

**Municipal Elections ~ October 18, 2010**  
Are you interested in the future of our municipality? As a member of council you will have the opportunity to significantly influence the direction that the Town will take in the future. Please consider submitting a nomination form for an opportunity to serve on Town Council (3 year term). It is a challenging but rewarding position and we encourage interested individuals to consider running.  
**Nomination Day is September 20 between 10 am - 12 pm** at the Town Office (4818 –47 Street).  
**Got Questions? Need answers?**  
Candidate information packages and nomination forms are available at the Town Office. For more in depth information please feel free to talk to administration staff and the current council members.

Wild Animals within the Town Limits.
There have been recent sightings of wild animals within the Town of Sedgewick. Citizens may not be aware that wild animals cannot be handled by the Town Public Works Department. Alberta Fish and Wildlife is responsible for issues with wild animals. Access Alberta Government Rite Line by dialing 310 0000 and then 780 679 1225 for the Camrose office to report a wild animal concern.

Volunteer Appreciation BBQ
On August 24, 2010 the Town hosted a Appreciation BBQ at the Sedgewick Lake Park to show appreciation for all the work that the volunteers of our Town do. We would not be able to have the great resources (Fire Dept., Golf Course, Ag Society, Rec Centre, Good As New, Community Hall, Legion, Lions, Senior's, Archives & Museum, Library & Lake Boards) in our Town without the help that we receive from our community of volunteers.

Municipal Land Lease

Sedgewick Town Council has addressed the issue of the unkempt appearance of town-owned vacant property. The Town Public Works Department takes pride in their ability to maintain the town's parks and lands so that they present a well-maintained appearance to residents and visitors alike and compliment the neighbourhoods they are located in.

If there are privately-owned recreational vehicles and various automobiles parked on town-owned lands, there are several issues that arise from an unauthorized use of Town lands:

- 1. Public Works cannot mow within several feet of the personal property that is parked on the town lot due to liability issues. There are concerns that the private property could be damaged by flying debris or an inadvertent collision.
2. With the private vehicles on town-owned lots, the tall grass around the vehicle area cannot be mowed, which gives the area an unkempt appearance.
3. There is an environmental concern that there could be some leakage of fluids from a private vehicle onto the land that is for sale.
4. The parking of vehicles on the town-owned lots gives the appearance that the lots are occupied and in use and are not for sale.

In order to address these issues, and provide local residents an option, Town Council adopted a Municipal Lot Lease Policy. This policy will permit an individual to use a town-owned lot with requirements for certain lot maintenance and public liability provisions. A copy of a Municipal Lot Lease Agreement is available to interested individuals.

All residents with private property parked on town-owned lands must either enter into a Municipal Lot Lease Agreement or remove their private property from the town-owned lands immediately or enforcement actions will be taken.

NOTE: No R.V. parking permitted on streets between Nov. 1 to April 30 annually.

Residents are reminded that the regulations of Traffic Bylaw #440 must be complied with in regards to parking recreational and non-registered vehicles on public roads. Private vehicle storage services are available locally.
